## Retaining Ring Pliers

### One Tool Does it All!

*Martin's* patented retaining ring pliers are capable of servicing both and external retaining rings. *Martin's* pliers offer superior performance with unique features:

- Flexible internal and external design for quick and easy conversion, as well as unequalled performance.
- Precision broached pliers jaws (patented) providing greater accuracy, stability, and control of retaining rings by tip angle adjustability and positive tip alignment.
- A complete set of replaceable tips held in place with alloy steel set screws provides for each Martin plier to be used for a wide variety of ring sizes & locations.

These unique features and the superior performance of *Martin's* pliers have made them the standard excellence for retaining ring service tools.
